Subject: Tow Service Agreement

Dear Mr. Qualkenbush,

On March 4, 2020, California Governor Gavin Newson issued a Proclamation of a State of Emergency due to the public health threat of COVID-19, and the associated impact to all sector of California. In the order to assist Californians during this public health crisis, various statutory and regulatory deadlines have been temporarily waived or extended.

Discussions were held between the California Highway Patrol, and the Tow Service Agreement Advisory Committee. Since there weren't any changes to the current Tow Service Agreement (TSA), the 2020-2021 TSA has been rescinded. It was agreed that an extension to the current TSA would be a better option. The current TSA will remain in effect through June 30, 2021. The currents rates will also remain in effect.

If you desire to remain on tow rotation, you only need to sign the Extension Operator Approval, the Baldwin Park Area Addendum, and update any applicable documents that will expire. If you have any questions concerning this matter, please contact Officer Duron at (626) 338-1164.

Sincerely,

S C Estrem
